

Underlay **SUPER PAD**

Super Pad carpet underlay blocks sound while giving your carpet a plush and luxurious feel. Add comfort to your home as you reduce sound propagation through your floors.

Made of RUBBER XD®.

Recommended for Radiant-Heated Floors.

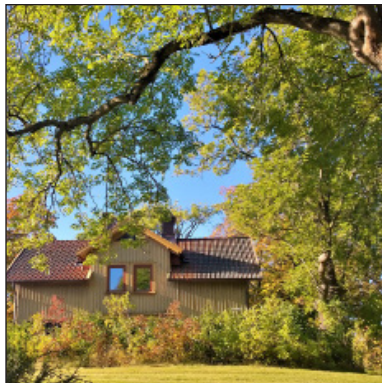

Comfortable and durable.

Extends the life of carpet.

TRIPLE PROTECTION

Fresh Dimension® antimicrobial inhibits the growth of mold, mildew, and odor-causing bacteria. Block-Out® thermo-reinforced barrier repels spills. Thermo-reinforced bottom barrier provides additional protection.

GOOD FOR ENVIRONMENT

Super Pad is hypoallergenic, and CRI Green Label Plus-certified for indoor air quality. In addition, it is 100% recyclable and contributes toward achieving LEED® building credits.
